Differentiators

Chrono-Adaptive Services: We anticipate and adapt to both current and emerging industry trends, keeping our clients at the forefront.

Neurodiversity Harnessing: We actively integrate diverse minds, promoting a culture of inclusivity and innovative thinking.

Dynamic Learning Ecosystem: Our strategies continuously evolve through real-time feedback, ensuring relevance in an ever-changing landscape.

Ed Lambert
Director
AT&T

Ty authored the bulk of AT&T's Guidelines for RESTful API Design. This document is an extremely useful compendium of best practices that we have used to drive consistency …

Leslie Turkson
Managing Director
Deloitte

Ty is an accomplished software architect with excellent interpersonal and client facing skills. Ty can be counted upon to architect and deliver complex software applications …

Ken Crimson
Associate Director
t-Mobile

I found Ty to be very methodical and centered as he guided a development team through the process. He brought a well grounded demeanor to a relationship that is often tainted from the start with a development teams …
