

# STATEMENT OF QUALIFICATIONS, EXPERIENCE & CERTIFICATIONS

## Introduction

Taliferro Tech, LLC, based in the vibrant city of Seattle, stands at the intersection of technology and innovation. Our mission transcends mere technical proficiency; we aim to unlock the full spectrum of possibilities, crafting transformative solutions that propel businesses into the future. Our passion for innovation is matched only by our commitment to excellence and quality in every endeavor.

## Qualifications and Experience

With a rich history of serving clients ranging from renowned companies to groundbreaking startups, our team brings unparalleled expertise to the table. Our journey has seen us partnering with giants like United Airlines, Amtrak, and Accenture, providing us with a depth of insight and a broad scope of experience that sets us apart. Our suite of products and services includes:

---

- Cutting-edge software products like Laboratory Information Systems, API Security Checkers, eLearning Platforms, e-Commerce Platforms, CRM Sales Boosters, and Passwordless Sign-In Software.
- A comprehensive array of services including Technology Consulting, API Design, Agile Project Management, Cloud Architecture, Custom Software Development, and more.

**Our expertise is not just in what we offer but in how we deliver. Our approach is characterized by**

- Chrono-Adaptive Services: Anticipating industry trends and adapting proactively.
- Neurodiversity Harnessing: Valuing diverse perspectives to foster a culture of inclusivity and innovation.
- Dynamic Learning Ecosystem: Thriving on change and continuously evolving strategies.

## Certifications

- Taliferro Tech, LLC is proud to hold certifications that underscore our dedication to diversity, equity, and excellence:
- Minority Business Enterprise (MBE)
- Disadvantaged Business Enterprise (DBE)
- Small Disadvantaged Business (SDB)
- Certified ByBlack through American Express and the United States Black Chamber of Commerce

These certifications reflect not just our business status but our ethos. They highlight our commitment to fostering diversity within the tech industry and ensuring our business practices meet the highest standards of excellence and integrity.

## Conclusion

At Taliferro Tech, LLC, innovation is more than a buzzword—it's our foundation. Our qualifications, bolstered by years of experience and a suite of certifications, speak to our ability to meet the challenges of today while anticipating the needs of tomorrow. As we look forward to partnering with institutions and organizations seeking to leverage technology for growth and transformation, we remain committed to the principles of innovation, quality, and inclusivity that have guided us from the start.
